Subject: Major Ag Comments on OR CZARA

Hi Karen and Judith,

Attached is a zip file with relevant comments, except #70 which is too large to include (see <http://coast.noaa.gov/czm/pollutioncontrol/oregondocket/public-comments/>). As you probably know, the comments that may be of are higher importance (more relevant, more information, better citations, etc.) are #52 (NWEA), #55 (Oregon Nurseries), #70 (Rogue Riverkeeper), and #73 (Oregon Farm Bureau) (aside from those comments from your agencies, of course).

Please let me know whether you have received the attached zip file.

Jayne
